Hilliard Studio Method and HSM Core Deals to Kick Off 2017.

If you are a barre, pilates or floorwork girl who has not yet tried one of Charlotte's two Hilliard studios, now is the time. These two studios have great deals this month, and there's nothing that says you can't sign up for both!!

Our back-of-the envelope calculations say that no other CLT studio shapes more bodies than the "pilates on steroids" workouts at these two studios owned by gorgeous spokesmodels mother & daughter Liz and Clary Hilliard. Join one or both in January and find out why.
