

Fit For Fashion – What to Wear to the Queen's Cup featuring Charlotte's fitness buffs.

In looking around for some folks to model fashions from **DENIM HOUSE** we thought – why not pick our favorite fitness studio instructors and have them show off how amazing and fabulous they look?

And why not have them model outfit ideas for this month's Queen's Cup Steeplechase, since it's definitely one of the must-go events in the DC every spring, and *What to Wear* is almost as crucial as *What To Eat & Drink*. So, we gathered at **DENIM HOUSE** at Selwyn & Colony, with summer hats and bloody mary's (ok virgin mary's) and some new spring styles from DH.

The players:

ORANGE THEORY FITNESS QUAIL CORNERS represented by Bekah White and Tracey Croner.

HILLIARD STUDIO METHOD represented by Tara Hughes and Oxana Voinarevitch

IM-X PILATES represented by Laura Fuller and Holly Tice (soon to be Martin!)

ROUND FITNESS & KICKBOXING represented by John Dee and Lauryn Kubella
